

Tribal Organization or Business Member Form

You may list us publicly as a member of the coalition of tribal governments, local businesses and organizations that supports a YES vote on Propositions 94, 95, 96 and 97, the new Indian Gaming Revenue Agreements negotiated between Gov. Schwarzenegger and four tribes in Riverside and San Diego counties, and approved by bi-partisan majorities of the state legislature. Voting YES will preserve the new agreements and protect the more than \$9 billion they will provide to the state over the next two decades to help balance the state budget and pay for public safety, education and other services statewide – without increasing our taxes.

About joining the coalition...

Signing the member form simply confirms that you can be listed as a member of our coalition. It does not obligate you to contribute time or money.

Lists or partial lists of our members – with the titles they provide – will be used in campaign materials, such as fact sheets, on our website and possibly in ads and mail.

All published member lists will note that titles and affiliations provided by individual members are for identification purposes only. This is the customary disclaimer used to make it clear that showing a person's current or former title does not mean or imply that the organization mentioned in that title has taken a position on this issue.

Members' addresses, phone numbers and email addresses will be kept confidential. We will only use this information to contact you if needed and to send you occasional member updates.
